Grape Varietal: Cabernet Sauvignon

Production area: South East Spain

% by Vol.: 12

Tasting note: Beautiful cherry red color with a clean and intense purple rim. Mature fruit aroma with mineral notes. At the palate this wine is intense, round, tasty, strong and with a long aftertaste.

Winemaking: The vineyards are at 800 meters above sea level, with a very cold winter and dry summer, warm by day and fresh at night, therefore the grapes mature very slowly. The fermentation room has stainless steel deposits with automated cold-heat shirts. The grapes are whole bunched pressed.
