

BAYANEGRA

rose wine

Wine name: BAYANEGRA ROSE

Grape Varietal: Tempranillo

Production area: South East Spain

% by Vol.: 12

Size: 750 ml.

Tasting note: Very bright strawberry-salmon color. Nose of good intensity, very floral, with hints of red fruit. On the palate, very fresh, sweet, crispy and perfect acidity. Very attractive and well balanced.

Winemaking: The vineyards are at 800 meters above sea level, with a very cold winter and dry summer, warm by day and fresh at night, therefore the grapes mature very slowly. The fermentation room has stainless steel deposits with automated cold-heat shirts. The grapes are whole bunched pressed.

Serving suggestions: Suitable to drink with tapas, starters and fishes
