Grape Varietal: Airen

Production area: South East Spain

% by Vol.: 11

Sugar: 30 gr / Liter

Size: 750 ml.

Tasting note: White yellowish colour, soft and with some greenish touches. Very clean and bright. Fruity, mature and fresh at the same time, with a complex bouquet of tropical fruits like loquat, custard apple, pineapple and some other very aromatic fruits. In mouth, it delivers an amazing fresh sensation

Winemaking: The vineyards are at 800 meters above sea level, with a very cold winter and dry summer, warm by day and fresh at night, therefore the grapes mature very slowly. The fermentation room has stainless steel deposits with automated cold-heat shirts. The grapes are whole bunched pressed.
